

Date:	Mileage km/miles
Every week	Maintenance function
<input type="checkbox"/>	Renew engine oil
<input type="checkbox"/>	Renew engine oil filter
<input type="checkbox"/>	Check exhaust system for leaks, security and damage
<input type="checkbox"/>	Check condition of driving belts-adjust if required
<input type="checkbox"/>	Check/top up cooling system
<input type="checkbox"/>	Renew transfer box oil
<input type="checkbox"/>	Renew front axle oil
<input type="checkbox"/>	Renew rear axle oil
<input type="checkbox"/>	Renew steering swivel housing oil
<input type="checkbox"/>	Check/top up power steering fluid
<input type="checkbox"/>	Check/top up automatic transmission fluid
<input type="checkbox"/>	Check/top up brake fluid
<input type="checkbox"/>	Check for oil/fluid leaks from: Suspension, dampers and self levelling unit
<input type="checkbox"/>	Check foot brake operation
<input type="checkbox"/>	Clean and grease battery terminals
<input type="checkbox"/>	Check condition and security of seats, seat belt mountings, belts and buckles
<input type="checkbox"/>	Check exhaust system for leaks, security and damage
<input type="checkbox"/>	Check tyres comply with Manufacturer's specification
<input type="checkbox"/>	Check tyres comply with Manufacturer's specification
<input type="checkbox"/>	Check tyres for cuts, lumps, bulges, uneven wear, tread depth and road wheels for damage
<input type="checkbox"/>	Check/adjust tyre pressures including spare
<input type="checkbox"/>	Check operation of all instruments, fuel and temperature gauges, warning indicators, lamps, horns and audio unit
<input type="checkbox"/>	Clear sun roof drain tubes
<input type="checkbox"/>	Check operation of all doors, hood, tailgate locks and window controls
<input type="checkbox"/>	Check brake pipes/unions for security, chafing. leaks and corrosion
<input type="checkbox"/>	Check power steering system for leaks, hydraulic pipes/unions for security, chafing and corrosion
<input type="checkbox"/>	Check power steering system for leaks, hydraulic pipes/unions for security, chafing and corrosion
<input type="checkbox"/>	Check fuel pipes for leaks
<input type="checkbox"/>	Check/top up cooling system
<input type="checkbox"/>	Inspect brake pads for wear, calipers for leaks and discs for condition
<input type="checkbox"/>	Check security and operation of hand brake lubricate hand brake mechanical linkage
<input type="checkbox"/>	Lubricate propeller shaft universal joints
<input type="checkbox"/>	Check condition and security of steering unit, joints and gaiters

I renounce any claims according to use the tips on this Site.
It is on one's own responsibility to follow the maintenance-step.

Date:	Mileage km/miles
Every week	Maintenance function
<input type="checkbox"/>	Check/adjust steering box
<input type="checkbox"/>	Check front wheel alignment
<input type="checkbox"/>	Check/clean air cleaner dump valve and element
<input type="checkbox"/>	Check operation of throttle mechanical linkage and transmission cable
<input type="checkbox"/>	Check battery condition
<input type="checkbox"/>	Check ignition wiring and HT leads for security, fraying, chafing, deterioration
<input type="checkbox"/>	Clean distributor cap and rotor arm, check for cracks and tracking
<input type="checkbox"/>	Check tightness of propeller shaft coupling bolts
<input type="checkbox"/>	Check/adjust headlamp and auxiliary lamp alignment
<input type="checkbox"/>	Check operation of front and rear screen and headlamp wash/wipers
<input type="checkbox"/>	Lubricate all locks (not steering lock), hinges and door check mechanisms
<input type="checkbox"/>	Check operation of heater and air conditioning systems
<input type="checkbox"/>	Check cooling and heater systems for leaks, hoses for security and condition
<input type="checkbox"/>	Clean/adjust spark plugs
<input type="checkbox"/>	Check/adjust ignition timing
<input type="checkbox"/>	lubricate propeller shaft sealed sliding joints
<input type="checkbox"/>	Renew air cleaner element/check/clean dump valve
<input type="checkbox"/>	Renew spark plugs
<input type="checkbox"/>	Renew automatic transmission fluid
<input type="checkbox"/>	Renew automatic transmission fluid filter
<input type="checkbox"/>	Check PCV system for leaks and hoses for security and condition (Positive crankcase ventilation)
<input type="checkbox"/>	Check and clean PCV system and breathers (Positive crankcase ventilation)
<input type="checkbox"/>	Lubricate distributor rotor spindle with rotor arm removed
<input type="checkbox"/>	Renew PCV intake filter check and clean PCV system (Positive crankcase ventilation)
<input type="checkbox"/>	Renew fuel filter
<input type="checkbox"/>	Renew charcoal canister
<input type="checkbox"/>	Renew oxygen sensors
<input type="checkbox"/>	Check ignition wiring and HT leads for fraying, chafing and deterioration
<input type="checkbox"/>	Clean distributor cap and rotor arm, check for cracks and tracking. Lubricate rotor spindle with rotor arm removed
<input type="checkbox"/>	Check/adjust ignition timing
<input type="checkbox"/>	Check engine idle speed
<input type="checkbox"/>	Check fuel evaporative loss control system for leaks
<input type="checkbox"/>	Check fuel filler cap seal for leaks
